

P R O F I L E

INA-GL Pvt. Ltd. was established in 1995 to engage in the distribution of various types of industrial tools and equipment, supplying high quality products to esteemed well established companies across India. With 5 years of experience, catering to the world, exporting to other countries in the Middle East, South East Asia & Austria. INA-GL takes pride as one of the leading Engineering products Supplier Company in India, providing expertise with our team through knowledge, delivering an unmatched service to ever demanding engineering industry. Our main goal is to develop good business relationships with our clients, with that, our products are competitively priced and to assist them even further an after service department consisting of a highly qualified technical team will be providing them world class support.

about us

We have successfully catered to the stringent requirements of various large, medium and small industries for the past 10 years. To keep pace with the changing requirements of this industry we have upgraded our plant equipment and processes to provide you with excellent quality packaging solutions at reasonable prices.

Every activity in the manufacturing process from decoying with support of EOT cranes, usage of fully automatic seam welder to customized painting in closed chambers, is closely monitored for standardizing and maintaining strict quality controls to ensure you get the best drums and barrels available, to deliver your valuable products.

International Customer Base

We have an international base of clients in the Middle East, South East Asia & Australia spread across various industry segments like Petrochemical, Lubricants, Chemicals, Adhesives, Oleoresins, Paints and Thinners, Food based industries, Pharmaceuticals, Ayurvedic ingredients etc.

ONE STOP SOLUTIONS FOR INDUSTRIAL PACAKGING NEEDS

IPac is one of the leading provider of global packaging solutions in diverse sectors that range from Food & Beverages, Industrial Engineering, Automobile Industries, Electronic Appliances, Textile & Garments and Furniture. Since its inception in 2015, IPac has grown from a product-oriented company into a market-oriented company. We deliver value-added products for which our customers just love to work with us. We have rich experience in servicing top-of-the-line specialized products to the printing & packaging industry
